'OLD MAUD' IS DEAD

Railroad Men Lament Passing of
Historic Locomotive

By United Press

SCHENECTADY, N. Y., May 16.—
Veteran railroad men here are "in
mourning."

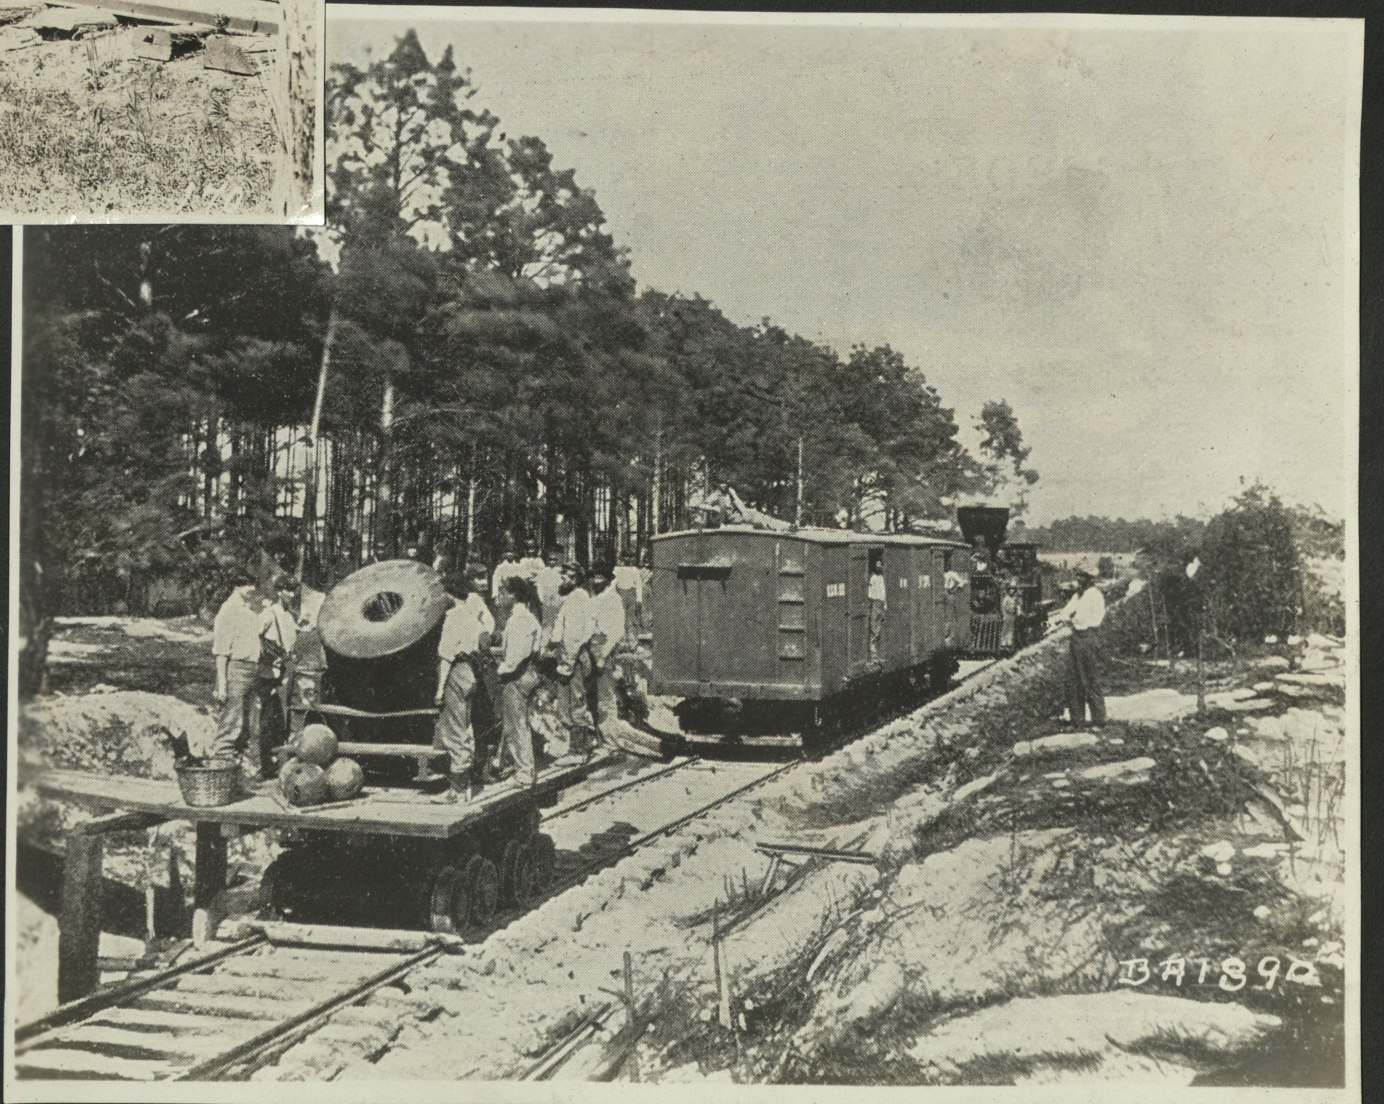

Old Maud, first of the Mallet-type
locomotives which made railroad
history by their tremendous pulling
power, is being dismantled after 34
years of service.

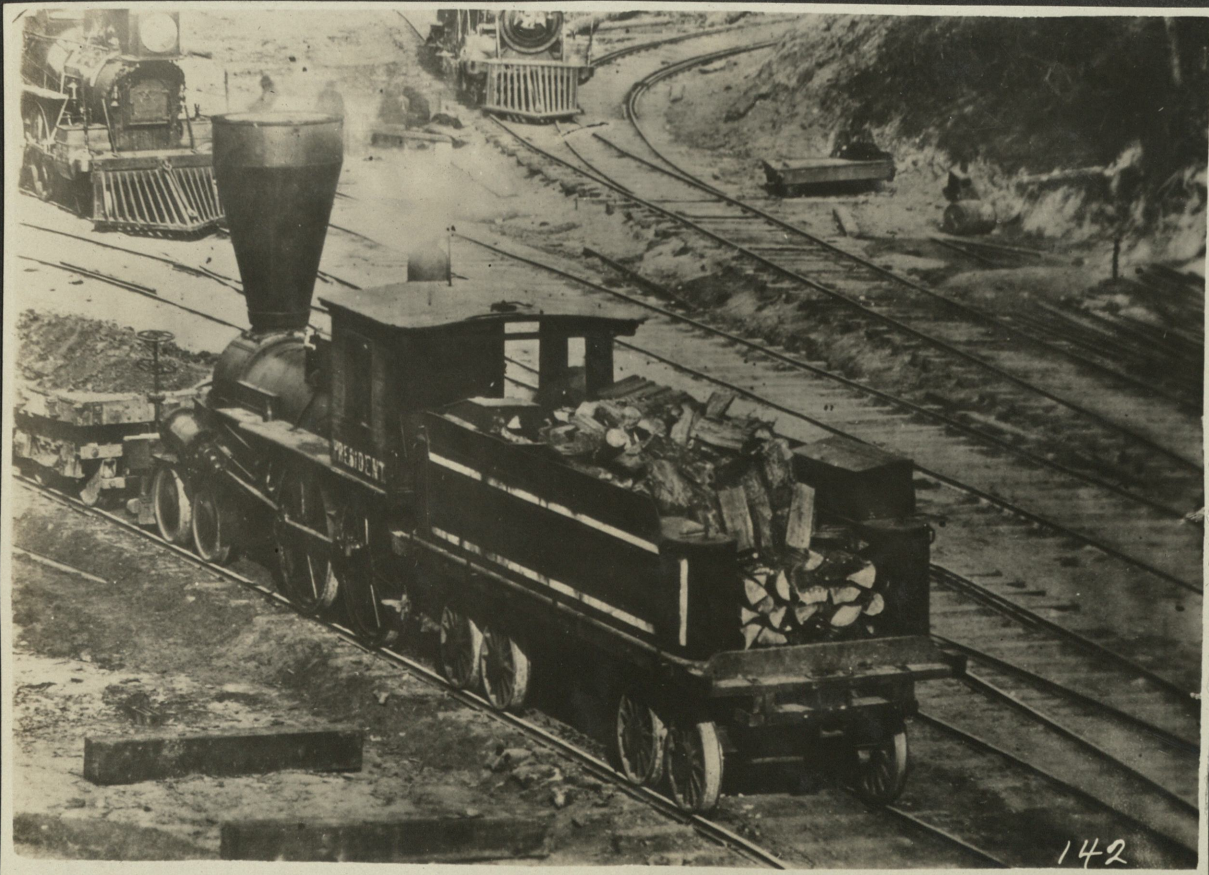

CSRM Neg 6526

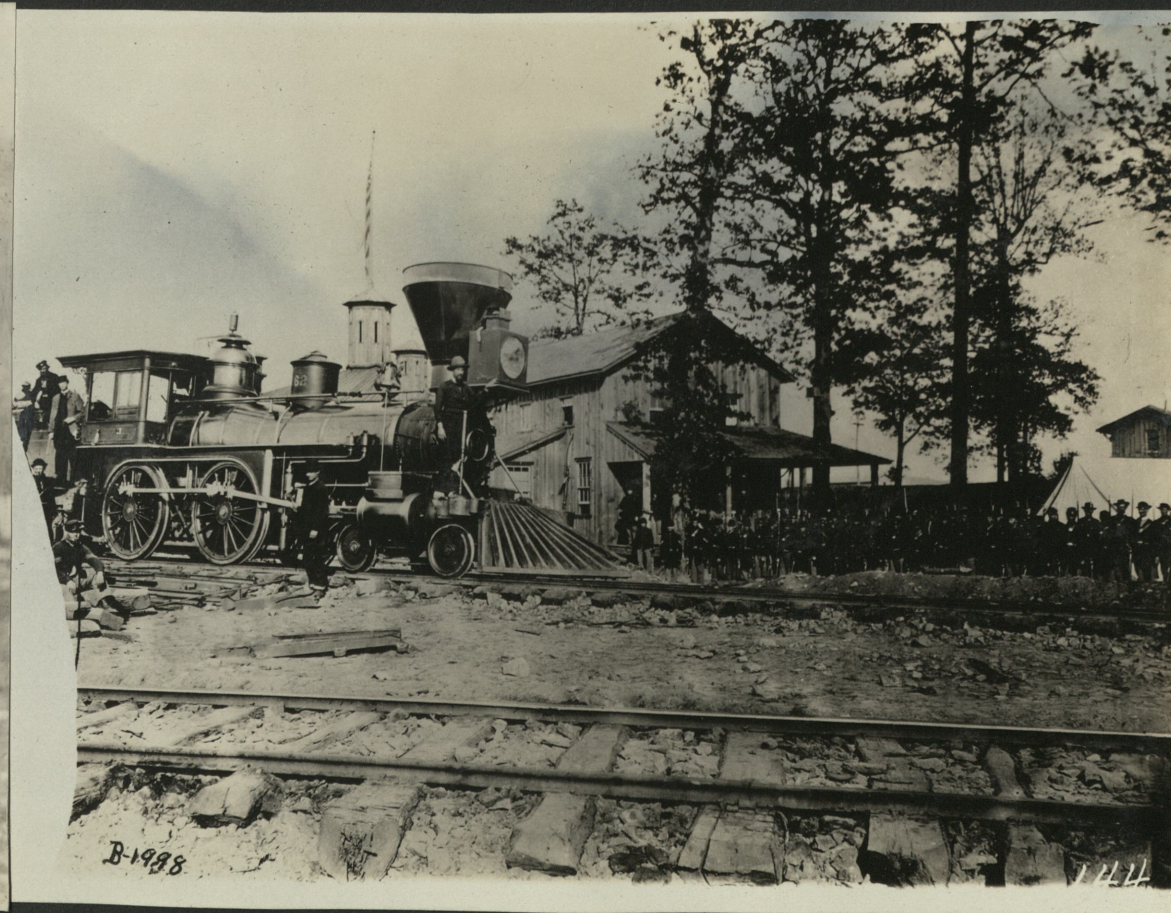

Type of locomotive in use on New England roads at the time of Lincoln's first visit. The famous "Dover," built by the Boston and Maine in 1848; transferred to the Government (U. S. Military R.R.) in '62. Photograph taken in Civil War service at Alexandria, Virginia.
